

PREVENT & PROTECT STL

*(formerly known as Protecting God's Children
Safe Environment)*

The Archdiocese of St. Louis has developed a new system for safe environment compliance called **Prevent and Protect STL**.

Everyone ministering to minors and vulnerable adults (clergy, employees, and volunteers) in the Archdiocese are required and asked to register in the new system before December 31, 2020. **This includes those new to service and those who are currently in service.**

For those who have already attended a Protecting God's Children workshop, your previous training date will transfer to this new system. All clergy, volunteers, and employees **NEED** to register for an updated background screening, view two new online training modules on abuse reporting and the Code of Ethical Conduct, and agree to the updated code of Ethical Conduct.
