## Prayer to Our Lady, the Immaculate Virgin, Patroness of America

Oh Immaculate Mother, Queen of our country, open our hearts, our homes, and our land to the coming of Jesus, your Divine Son. With Him, reign over us, O heavenly Lady, so pure and so bright with the radiance of God's light shining in and about you. Be our leader against the powers of evil set upon wresting the world of souls, redeemed at such a great cost by the sufferings of your Son and of yourself, in union with Him, from that same Savior, Who loves us with infinite charity.

We gather about you, O chaste and holy Mother, Virgin Immaculate, Patroness of our beloved Land, determined to fight under your banner of holy purity against the wickedness that would make all the world an abyss of evil, without God and without your loving maternal care.

We consecrate our hearts, our homes, our Land to your Most Pure Heart, O great Queen, that the kingdom of your Son, our Redeemer and our God, may be firmly established in us.

We ask no special sign of you, sweet Mother, for we believe in your great love for us, and we place in you our entire confidence. We promise to honor you by faith, love, and the purity of our lives according to your desire.

Reign over us, then, O Virgin Immaculate, with your Son, Jesus Christ. May His Divine Heart and your most chaste Heart be ever enthroned and glorified among us. Use us, your children of America, as your instruments of peace among men and nations. Work your miracles of grace in us, so that we may be a glory to the Blessed Trinity, Who created, redeemed, and sanctifies us.

May your valiant spouse, St. Joseph, with the holy Angels and Saints, assist you and us in "renewing the face of the earth." Then when our work is over, come, Holy Immaculate Mother, and as our Victorious Queen, lead us to the eternal kingdom, where your Son reigns forever as King.

Amen

# Pastor's Pen

**Dear St Martin of Tours Family and Friends—  
A Blessed Easter to all of you!**

As you are aware, a great event occurred in the Church and in the World when on March 25, the Feast of the Incarnation, Pope Francis consecrated Russia to the Immaculate Heart of Mary in fulfilment of the request made at Fatima in 1917 to the three shepherd children. Although Pope John Paul II performed a similar Act of Consecration in 1984, he did not mention Russia by name. Even though this act was, according to Sr. Lucia, the only remaining seer from Fatima, accepted by heaven, this time the act was fulfilled perfectly with Russia being mentioned by name.

This is important because according to Our Lady's words of 1917, Russia was going to become the chosen instrument of God's justice in the world, and that Russia could be used as an instrument in two ways: Either as an instrument of chastisement through the spread of atheism and socialism through the world; or as an instrument of the world's conversion to Christianity.

We have already seen that Russia and her ideology has been used quite horribly as an instrument of chastisement. Even after the Fall of the Berlin wall (which some have credited to the Consecration by John Paul in 1984) and the near-miraculous avoidance of nuclear war, nonetheless it is clear that atheism and socialism has infected the West, most diabolically in its most hallowed institutions since the dissolution of the Soviet Union. How strange it is that in just a generation this nation which once stood for God, justice, religion, and the traditional family, now promotes ideologies which promote pornography, sexual deviance, the destruction of the family, abortion; and at awards ceremonies and in music videos we watch pop stars perform their songs using the rites and symbology of Satanic rites.

[Note: To the right I have included an image of "Our Lady of America." If you cut it out from this bulletin, there is a prayer on the reverse of the image we should pray every day for the return of our nation to purity and holiness.]

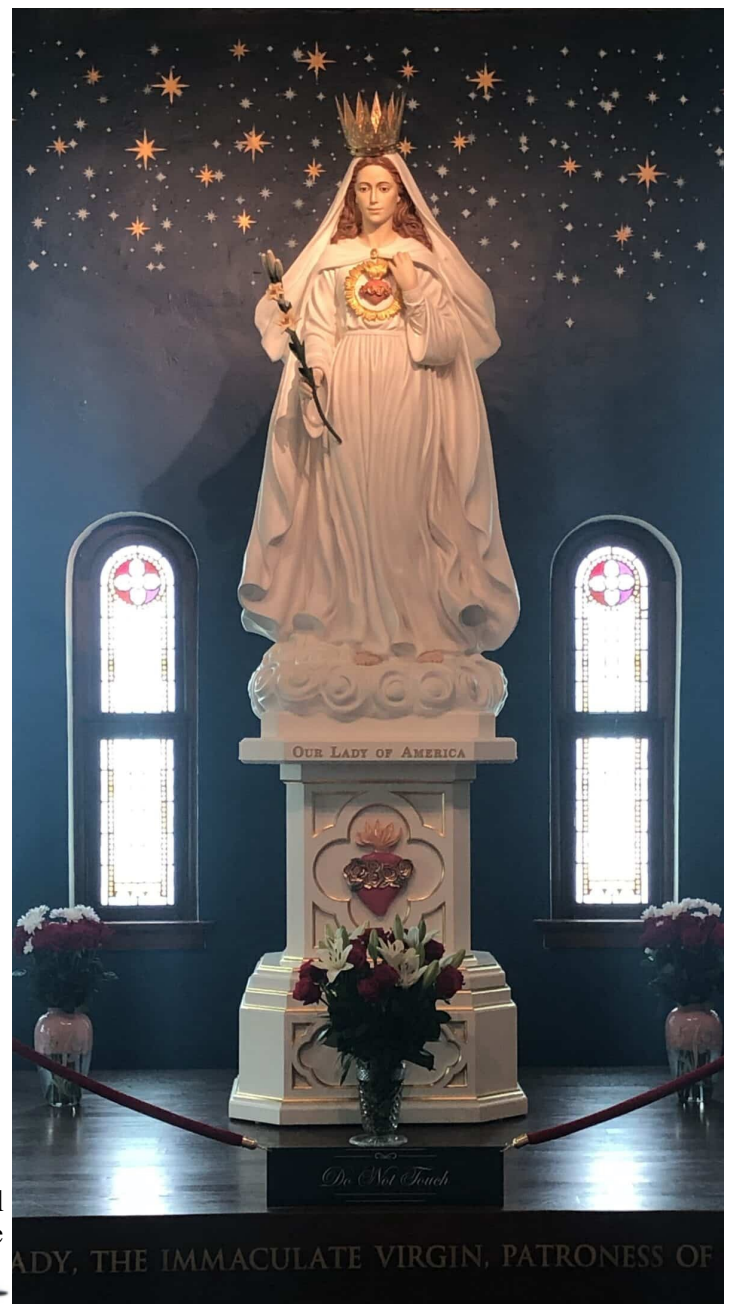

So what are we hoping will be the result of the recent consecration? The answer is this—nothing less than *the miraculous conversion of Russia to the Roman Catholic Faith, the Faith of adopted in the year 988 when Kiev was Russia's capital.*

Do you see now why this current war, taking place in the land of Russia's birth is so important?

However, a consecration is not magic. We must do our part by praying the *Five First Saturdays* devotion to bring about the conversion of Russia, which if it happens will usher in peace and a new era of glory for the Catholic Faith throughout the planet.

For unless Russia is converted, the future of the world will be at stake. We remain a people of hope! But there is hope only if we pray!

*Thomas W. W. W.*
